

April 2017

Dear Raymond Families,

This year, DC Public Schools reopened MacFarland Middle School in Ward 4, serving 70 Dual Language students in the 6th grade. Next year, we are growing the dual-language program by adding a 7th grade and bringing in a new class of 6th graders in School Year 2017-2018. We reopened MacFarland Middle School with the community's vision for a standalone neighborhood middle school that would offer both a comprehensive program and a pathway for Dual Language in middle school. Today, we're writing with an update on how MacFarland Middle School will begin serving Raymond families in August 2018.

When Will MacFarland Open as a Comprehensive Middle School?

In addition to serving the full 6-8th grade Dual Language Program, MacFarland's comprehensive program will grow grade by grade:

- School Year 2018-2019: MacFarland will serve 6th graders;
- School Year 2019-2020: MacFarland will serve 6th and 7th graders;
- School Year 2020-2021: MacFarland will serve 6th, 7th, and 8th graders.

When Will My Child Attend MacFarland Middle School?

- Students currently in 5th, 6th, 7th, and 8th grade will graduate from Raymond;
- Students in Pre-K through 4th grade will attend MacFarland Middle School for 6th, 7th, and 8th grade.

We believe a gradual transition will enable MacFarland to steadily grow its middle school program, and for middle school students at West, Truesdell, and Raymond to graduate from the schools they have been invested in since Pre-Kindergarten.

When Will the Building Be Modernized?

We began planning and design for MacFarland's building renovation, and the project will be completed for School Year 2018-2019.

How can I learn more?

We are excited to continue working with families through a successful transition. To engage:

- Review the FAQ on the following page for more information;
- Visit the DCPS Planning blog at <http://bit.ly/dcpsplanning> for updates;
- Reach out to DCPS.Planning@dc.gov with questions or comments ;
- Come meet with the School Planning team – we'll be sending meeting dates for Raymond soon!

Sincerely,

Carla Watson
Chief Operating Officer

MacFarland Middle School Transition: Key Questions and Answers

Q: What does the new transition timeline mean for families at Truesdell, West, and Raymond Education Campuses? When will the transition be complete from education campus to elementary school?

A: Any student enrolled in 5th through 8th grade at Raymond, Truesdell, or West Education Campuses as of School Year 2016-2017 will be able to graduate from 8th grade at their current school. Any student in Pre-K through 4th grade as of School Year 2016-2017 will have a right to MacFarland Middle School for 6th through 8th grade. All three education campuses will become elementary schools by School Year 2020-2021.

	Next School Year (School Year 2017-2018)	School Year 2018-2019	School Year 2019-2020	School Year 2020-2021
Grades Served at Raymond, Truesdell, and West	No Change. Schools serve PK3-8 grades.	PK3-5; 7-8 th . 6 th Grade moves to MacFarland	PK3-5 th and 8 th grade. 6 th -7 th grade moves to MacFarland	PK3-5 th Grade. Raymond, Truesdell, and West are elementary schools
Grades served at MacFarland	No comprehensive program, 6 th -7 th Dual Language only	6 th grade comprehensive, 6 th -8 th Dual Language	6 th -7 th grades comprehensive, 6 th -8 th grades Dual Language	6 th -8 th grades Comprehensive and Dual Language programs

Q: Why is DCPS choosing a gradual transition instead of moving all three grades at once?

A: We received consistent feedback from parents that in order for them to choose MacFarland, it must offer rigorous academics and a safe, welcoming school environment. We have also heard from our school leaders how challenging it can be for middle grades students to switch schools after 6th or 7th grade, especially when they've been at the school since as early as Pre-K. We believe a gradual transition is the best option to help MacFarland steadily build its culture and program, and for middle school students in our education campuses to be able to graduate from their school.

Q: What other schools will feed into MacFarland?

A: MacFarland's Dual Language (DL) program currently serves students from the DL programs at Bancroft, Bruce Monroe, Cleveland, Marie Reed, Powell, and Tyler Elementary Schools. When MacFarland's comprehensive program opens in August 2018, it will serve students from Barnard, Powell (comprehensive strand), and Dorothy L. Height Elementary Schools in addition to Truesdell, Raymond, and West.

Q: Who is the Principal of MacFarland?

A: Mark Sanders is currently the Assistant Principal at MacFarland, and will be the Principal when the school opens its comprehensive neighborhood program in August, 2018. Mr. Sanders has an eleven year track record of success as an educator, starting out as a Spanish teacher and later serving as Assistant Principal at McKinley Tech High School and Powell Elementary School. He has a Master's degree in Education from Harvard University's School Leadership Program and is an alumnus of DCPS' Mary Jane Patterson Fellowship. Mr. Sanders is looking forward to meeting with parents and students at each MacFarland feeder school over the coming year, so stay tuned for dates!

Abril 2017

Estimadas Familias de Raymond,

Este año, las Escuelas Públicas de DC reabrieron la Escuela Intermedia MacFarland en el Sector 4 (*Ward 4*), atendiendo a 70 estudiantes de Lenguaje Dual en el 6^{to} grado. El próximo año, el programa de lenguaje dual estará creciendo al añadir un 7^{mo} grado y una clase nueva de 6^{to} grado para el año escolar 2017-2018. Reabrimos la Escuela Intermedia MacFarland con la visión de la comunidad para una escuela intermedia independiente que ofrecería ambos, un programa general y una vía para el lenguaje dual en la escuela intermedia. Hoy, le queremos informar cómo la Escuela Intermedia MacFarland comenzará a ofrecer servicios a las familias de Raymond en agosto del 2018.

¿Cuándo Abrirá MacFarland como una Escuela Intermedia de Educación General?

Además de ofrecer el Programa de Lenguaje Dual del 6^{to}-8^{vo} grado, el programa de educación general de MacFarland crecerá grado por grado:

- Año Escolar 2018-2019: MacFarland ofrecerá servicios a estudiantes de 6^{to} grado;
- Año Escolar 2019-2020: MacFarland ofrecerá servicios a estudiantes de 6^{to} y 7^{mo} grado;
- Año Escolar 2020-2021: MacFarland ofrecerá servicios a estudiantes de 6^{to}, 7^{mo} y 8^{vo} grado.

¿Cuándo Asistirá Mi Hijo/a a la Escuela Intermedia MacFarland?

- Los/as estudiantes actualmente en los grados 5^{to}, 6^{to}, 7^{mo} y 8^{vo} se graduarán en su escuela actual;
- Los/as estudiantes de Pre-K hasta el 4^{to} grado asistirán a la Escuela Intermedia MacFarland para grados 6^{to}, 7^{mo} y 8^{vo}.

Creemos que una transición gradual permitirá que el programa de la escuela intermedia de MacFarland crezca continuamente y que los estudiantes de la escuela intermedia en West, Truesdell, y Raymond se gradúen de las escuelas a las que han asistido desde el Pre-Kínder.

¿Cuándo se Modernizará el Edificio?

Comenzamos la planificación y el diseño para la renovación del edificio de MacFarland, y el proyecto será completado para el Año Escolar 2018-2019.

¿Cómo puedo aprender más?

Nos emociona continuar trabajando con las familias a través de una transición exitosa. Para participar:

- Revise las Preguntas más Frecuentes (*FAQ, siglas en inglés*) en la siguiente página para obtener mayor información;
- Visite el blog de Planificación de las EPDC en <http://bit.ly/dcpsplanning> para obtener actualizaciones;
- Comuníquese con DCPS.Planning@dc.gov si tiene preguntas o inquietudes;
- Reúnase con el equipo de Planificación Escolar para aprender más – mandaremos la cita pronto!

Atentamente,

Carla Watson
Directora de Operaciones

Transición de la Escuela Intermedia MacFarland: Preguntas y Respuestas Importantes

P: ¿Qué significa el plazo estimado de la nueva transición para las familias en los Campus Educativos Truesdell, West, y Raymond? ¿Cuándo se completará la transición del campus educativo a la escuela primaria?

R: Cualquier estudiante matriculado/a en grados del 5^{to} al 8^{vo} en el Campus Educativo Raymond, Truesdell, o West a partir del Año Escolar 2016-2017 podrán graduarse del 8^{vo} grado en su escuela actual. Cualquier estudiante matriculado/a de Pre-K a 4^{to} grado a partir del Año Escolar 2016-2017 tendrá el derecho de asistir a la Escuela Intermedia MacFarland del 6^{to} al 8^{vo} grado. Estos tres campus educativos se convertirán en escuelas primarias para el Año Escolar 2020-2021.

	Próximo Año Escolar (Año Escolar 2017-2018)	Año Escolar 2018-2019	Año Escolar 2019-2020	Año Escolar 2020-2021
Grados en Raymond, Truesdell, y West	No hay cambios. Las escuelas ofrecerán servicios a grados PK3-8.	PK3-5; 7-8 ^{vo} . 6 ^{to} Grado se moverá a MacFarland	PK3-5 ^{to} y 8 ^{vo} Grado. 6 ^{to} -7 ^{mo} grado se moverán a MacFarland	Grados PK3-5 ^{to} Raymond, Truesdell, y West son escuelas primarias
Grados en MacFarland	No existe programa de Educación General, solo el de Lenguaje Dual de 6 ^{to} -7 ^{mo}	Programa de Educación General para 6 ^{to} grado, Lenguaje Dual de 6 ^{to} -8 ^{vo} grado.	Programa de Educación General de 6 ^{to} -7 ^{mo} grado. Lenguaje Dual de 6 ^{to} -8 ^{vo} grado.	Programa de educación General y Lenguaje Dual de 6 ^{to} -8 ^{vo} grado.

P: ¿Por qué las EPDC están escogiendo una transición gradual en lugar de mover los tres grados a la misma vez?

R: Recibimos comentarios constantes de los padres, que para ellos poder escoger a MacFarland, esta debe ofrecer un programa académico riguroso y un ambiente escolar seguro y acogedor. También hemos escuchado de los líderes escolares que un desafío puede ser para los/as estudiantes en los grados intermedios cambiar de escuela después del 6^{to} o 7^{mo} grado, especialmente cuando ellos/as han estado en la misma escuela desde el Pre-K. Creemos que la transición gradual es la mejor opción para ayudar a MacFarland en el crecimiento constante de su cultura y su programa, y que los/as estudiantes de la escuela intermedia en nuestros campus educativos puedan graduarse de su escuela.

P: ¿Qué otras escuelas se incorporarán a MacFarland?

R: El programa de Lenguaje Dual de MacFarland actualmente le proporciona servicios a los/as estudiantes de los programas de Lenguaje Dual en las Escuelas Primarias Bancroft, Bruce Monroe, Cleveland, Marie Reed, Powell, y Tyler. Cuando el programa de Educación General de MacFarland comience en agosto del 2018, le proporcionará servicios a los/as estudiantes de las Escuelas Primarias Barnard, Powell (educación general), y Dorothy L. Height además de Truesdell, Raymond, y West.

P: ¿Quién es el/la director/a de MacFarland?

R: Mark Sanders es actualmente el Asistente del Director en MacFarland, y será el Director cuando la escuela comience el programa de Educación General en agosto del 2018. El Sr. Sanders tiene una trayectoria de 11 años de éxitos como educador, comenzando como maestro de Español y luego desempeñándose como Asistente del Director en la Escuela Secundaria McKinley Tech y la Escuela Primaria Powell. El Sr. Sanders posee una maestría en Educación del Programa de Liderazgo Escolar de la Universidad Harvard y es graduado de la asociación de las EPDC (*DCPS' Mary Jane Patterson Fellowship*). El Sr. Sanders espera reunirse con los padres y estudiantes en cada una de las escuelas que se incorporan a MacFarland durante el próximo año, ¡así que esté atento/a a las fechas!
